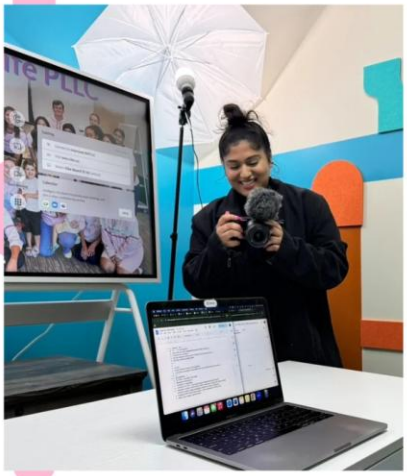
IMPROVEMEDICALCULTURE.ORG

SPRING 2027 BUSINESS INTERNSHIP

Physician-led Internships for the Past 10 Years

BOOST YOUR RÉSUMÉ WITH REAL BUSINESS EXPERIENCE

Build skills you can actually use & show future employers. Gain hands-on experience with social media growth, SEO, networking, video editing, AI tools, & digital marketing campaigns. Create content in our Ashburn recording studio using Sony cameras, professional lighting, and a Vibe Board, and help grow an already monetized YouTube channel. Work on real brands and campaigns, including Improve Life PLLC, Moms Physician, & ImproveMedicalCulture.org. Great for marketing, business, communications, pre-health, and healthcare students who want to learn how a real private practice and growing businesses are run.



Limited Spots!

@ImproveLifePLLC

Improve Life PLLC is a psychiatric practice run by Dr. Waggel, MD

Choose Your Track! 1. <u>In-Person:</u> Network face-to-face with local business owners, attend Chamber of Commerce events, explore print media and marketing, and learn business growth strategies. Gain valuable experience building professional relationships and discovering what it takes to run a successful business. *Requirements: Reliable transportation, preferably your own vehicle as attendance at various locations throughout Northern Virginia is required.*

2. <u>Virtual</u>: Digital Marketing & Business Innovation

Gain hands-on experience managing social media, websites, and blogs! Learn search engine optimization (SEO), explore cutting-edge AI tools, and develop professional communication skills through Zoom meetings, phone calls, and emails. *Requirements: Must have unrestricted access to social media.*

Email us your CV and a creative 5-minute video about yourself and why you wish to join.
